Requesting Access to Government Records Under the New Jersey Open Public Records Act (N.J.S.A. 47:1A-1 et seq.)

1. To request access to government records under the New Jersey Open Public Records Act (N.J.S.A. 47:1A-1 et seq.), you must complete, sign and date the government records request form and deliver it in person, by mail or electronically during regular business hours to the Custodian of Records. Your request is not considered filed until the Custodian of Records receives the completed request form. If you submit the request form to any other officer or employee of NJ TRANSIT, that officer or employee does not have the authority to accept your request form on behalf of NJ TRANSIT and you will be directed to the Custodian of Records.

2. If you submit a request for access to government records to someone other than the Custodian of Records, do not complete the NJ TRANSIT request form, or attempt to make a request for access by telephone, the Open Public Records Act and its deadlines, restrictions and remedies will not apply to your request.

3. The fees for duplication of a government record in printed form are listed on the government records request form. We will notify you of any special charges, special service charges or other additional charges authorized by State law or regulation before processing your request. Payment shall be made by check or money order payable to NJ TRANSIT.

4. You may be charged a 50% or other deposit when a request for copies exceeds $25. The NJ TRANSIT custodian will contact you and advise you of any deposit requirements. Anonymous requests, when permitted, require a deposit of 100% of estimated fees. You agree to pay the balance due upon delivery of the records.

5. Under OPRA, a custodian must deny access to a person who has been convicted of an indictable offense in New Jersey, any other state, or the United States, and who is seeking government records containing personal information pertaining to the person’s victim or the victim’s family.

6. By law, NJ TRANSIT must notify you that it grants or denies a request for access to government records within seven business days after the Custodian of Records receives the request, provided that the record is currently available and not in storage. If the record requested is not currently available or is in storage, NJ TRANSIT will advise you within seven business days when the record can be made available and the estimated cost. You may agree to extend the time NJ TRANSIT has to make records available or review your request.

7. You may be denied access to a government record if your request would substantially disrupt agency operations and the Custodian of Records is unable to reach a reasonable solution with you.

8. If NJ TRANSIT is unable to comply with your request for access to a government record, the Custodian of Records will indicate the reasons for denial.

9. Except as otherwise provided by law or by agreement with the requester, if the Custodian of Records fails to respond to you within seven business days of receiving a completed request form, the failure to respond will be considered a denial of your request.

10. If your request for access to a government record has been denied or unfilled within the time permitted by law, you have a right to challenge the decision by the NJ TRANSIT to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint in writing with the Government Records Council (GRC) located in the Department of Community Affairs. You may contact the GRC by toll-free telephone at 866-850-0511.

11. Information provided on the government records request form may be subject to disclosure under the Open Public Records Act.
